

Disappearing sliding door Manhattan

Disappearing framed sliding doors single or double, are custom-made in tempered safety glass, also stratified and finished by a minimal perimeter profile in aluminum that valorize the exclusive aesthetic quality of glass by Henry glass.

Two models of handles Avenue and Square are design elements which perfectly fit the aesthetic of the framed profiles.

Disappearing sliding doors are available with Xilo frame or with metal disappearing frame without frame.

Dimensions on demand. The doors can be customized with a maximum width of 1250 mm and a maximum height of 3000 mm. Glass thickness 10 mm (tempered monolithic or tempered stratified).
